

K9BRAINSMART

Behaviour Modification Information Form

Human's Name:	
Dog's Name:	

Behaviour Modification is a treatment and training approach intended to change or completely unlearn certain undesirable or unhealthy behaviours your dog may exhibit. A behaviourist will assess your K9 through asking you questions and observing your K9, to create a personalised regiment to help you and your dog based on the relevant circumstances.

To help your behaviourist begin the process, please indicate which of the below behavioural problems your dog is displaying.

Behavioural Problems:

- ☐ Play Biting
- ☐ Tipping Dustbins
- ☐ Begging for Food
- ☐ Destroying Plants
- ☐ Digging Holes
- ☐ Eating Faeces
- ☐ ADHD
- ☐ Eating Disorders
- ☐ Chewing
- ☐ Aggression
- ☐ Howling and Barking
- ☐ Seperation Anxiety
- ☐ Fears & Phobias
- ☐ Ignoring Commands
- ☐ Chasing Vehicles
- ☐ Jumping Up on Peopl
- ☐ Submissive Urination
- ☐ Resource Guarding
- ☐ Chasing People
- ☐ Escaping the Yard
- ☐ Growling & Biting
- ☐ Running out of Gates
